## Mission Statement

---

To provide our customers with consistent, reliable, and the highest quality batteries and products.

To be the best replacement battery provider for medical and other portable power equipment.

To aspire to the highest standards of professionalism, courtesy, and knowledge as a supplier.

To make Customer Satisfaction our highest goal.

# Capabilities Statement

*"Over 60 Years Combined Battery Experience"*

## Company Information

**Battery Clinic, Inc.** is a company devoted to Quality, Service, and Customer Satisfaction. It has been our privilege to serve the world's best customers for over 20 years. We offer the most complete line of OEM and Aftermarket replacement batteries. From "AAAA to Zinc Air" we have the replacement batteries you and your institution need. We can also provide custom battery pack assembly in many different chemistries. We have decades of battery and service experience and we will do everything we can to help you, even send you to our competition if that is what is best for your situation. We offer the longest warranties in the industry and we would appreciate serving you.

Our niche market is targeted, but not limited to Medical and Biomedical equipment, i.e. Hospitals and Medical Centers, Surgery Centers, Clinics, Office Supply Needs, but we serve Military Battery needs as well. You can see from our SIC and NAICS codes below we offer a wide range of batteries for most portable power needs. When you need a battery give us a call.
